## BLU-JET® by Unverferth

## FERTILIZER APPLICATION EQUIPMENT

DURABLE, FIELD-PROVEN  
AND ECONOMICAL DESIGN.

MODEL 4615

MODEL 4015

MODEL 3015

The Blu-Jet® lineup of liquid fertilizer applicators can elevate your yields and profit potential with their durable construction and economical design that your budget will love! You'll be able to apply the right source of fertilizer, at the right rate, during the right time and at the right place. Models 4615, 4015 and 3015 feature a range of toolbar widths and a variety of accessories to fit different operational needs. Whether just entering the liquid sidedress market, or upgrading your operation to more capacity, there's a 15-Series liquid fertilizer applicator that's right for you.

## DUO LIFT↑ Manufacturing Company, Inc.

## Liquid Fertilizer Nurse Trailers

Temporary Storage

Transport Model

Duo Lift designs and manufactures a complete line of trailers for the fertilizer industry. Models are available to accommodate most brands and sizes of liquid fertilizer tanks, both poly and stainless steel. Our most popular sizes include: 1000, 1200, 1600, 3200 gallons. Other sizes are also available. Duo Lift can supply the trailer only, or complete units with tanks, tires, pumps, and plumbing kits.
